Brand

Tonda local sake

Blessed with quality water and locally grown rice, Tonda area has been long known for producing excellent sake. Two local breweries keep the tradition alive and produce fine boutique sake today.

Hattori oriental pickling melons

In Hattori district, farmers have grown oriental pickling melons from long ago. Takatsuki specialties, tasty pickles are made from them with remaining of sake brewing from Tonda area.

Sangamaki Tomatoes

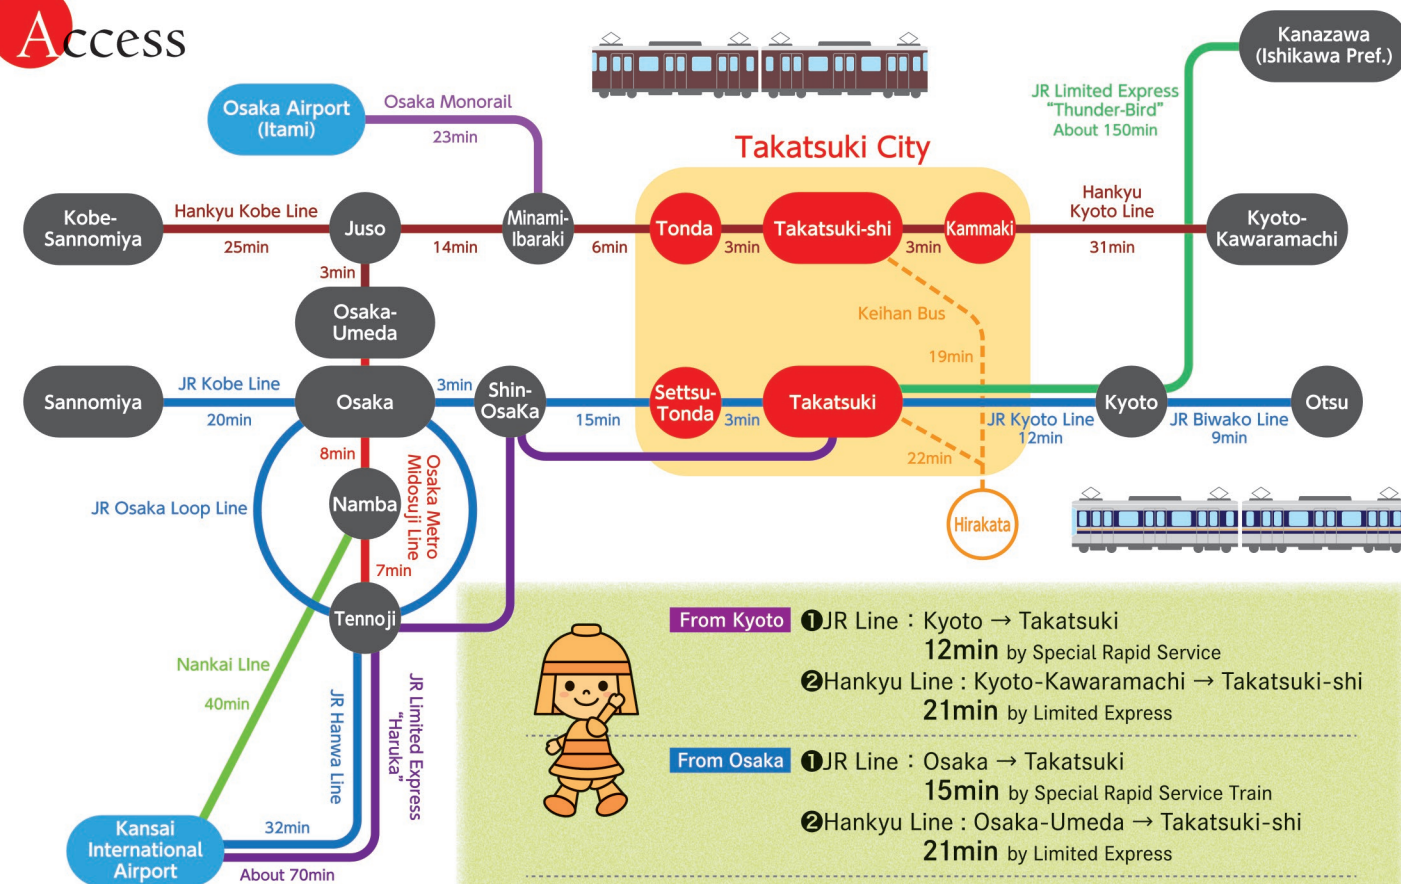

Sangamaki Tomatoes is a local specialty in Takatsuki. Forced-grown in greenhouses around Sangamaki area, they are exceptionally sweet and tasty.

Takatsuki Udon Gyoza (Noodle dumplings)

Takatsuki Udon Gyoza is a home-cooked food of Takatsuki. Instead of wrapped in Gyoza skins, Gyoza filling is mixed with chopped noodles to make dumplings to fry. Several TV shows and magazines featured this popular dish.
